Description

Layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated

Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup

Highly absorbent, fine-fibre construction won't leave behind liquids or fibre residue

Pop-up tabs and cardboard back let you hang pack anywhere in your plant - on a pegboard by your workbench, on your tool cart, even on your forklift

10 Heavy-weight PIG® Mat pads per tablet; fixed number of pads makes it easy to monitor inventory and usage
